

PEDIATRIC THERAPY, INC. VOLUNTEER DRESS CODE

As representatives of PTI, volunteers should remember that their appearance is a direct reflection on the level of professionalism in the company. For this reason, all volunteers shall follow these basic minimum guidelines in regard to dress and personal appearance.

Sweatshirts, t-shirts, worn/frayed jeans, cut-offs, revealing clothing, tattoos, and facial/body piercing are not allowed. Clothing that is considered “stylish” may not be professionally appropriate for this work setting. Dress may be casual, but should be neat and professional.

Please exercise professional judgment for clothing choices.

Pants:

All volunteers are requested to wear jeans, pants, slacks or knee-length skirts as appropriate. **You may not wear yoga pants, leggings, sweatpants or shorts of any kind.** Jeans should not be frayed, have holes, too tight or too low. Please make sure that pants come high enough that lower back and torso are not shown when bending over.

Shirts:

T-shirts with logos and printing are unacceptable. Do not wear low-cut shirts, tank tops, or shirts that show any part of the torso. Texas Tech, LCU, and other local college t-shirts are allowed.

Foot wear:

You may wear closed-toe shoes or flip flops. Flip flops need to be sandal style, not pool/beach style. No bare feet during treatment. Wear socks.

If clothing is deemed inappropriate by any PTI employee you will be asked to leave for the day and dress appropriately from that point forward.

No gum chewing.
